

CORRECTION

Correction to “AKT1 mediates multiple phosphorylation events that functionally promote HSF1 activation”

Lu W-C, Omari R, Ray H, Wang J, Williams I, Jacobs C, Hockaden N, Bochman M & Carpenter R (2022) AKT1 mediates multiple phosphorylation events that functionally promote HSF1 activation. *FEBS J* 289, 3876–3893. <https://doi.org/10.1111/febs.16375>

During preparation of the figures for the manuscript by Lu *et al.* [1], the file corresponding to Figure 8 was inadvertently duplicated, resulting in Figure 8 appearing twice—as Figure 8 and Figure 9. This corrigendum replaces the incorrect Figure 9. The authors have checked the entire document and assert that they found no further errors.

The corrected Fig. 9 is shown below.

They apologize for this error.
